

GRANTLEY HALL

GRANTLEY MOTORSPORT EXPERIENCE

Grantley Hall is delighted to offer an exciting and unique motorsport experience to our thrill-seeking guests who can now enjoy our state-of-the-art professional motorsport simulator suite.

Whether you are a novice, professional or simply a motorsport enthusiast, the Grantley Motorsport experience allows guests to tailor-make their own experience by selecting from a range of racing cars, renowned racetracks and weather conditions to test and enhance their driving skills.

This unique package includes an individual coaching session per person on the driving simulator before taking part in a fastest lap competition against your fellow participants. To complete this fully immersive motorsport experience, guests will be treated to an F1 style 'Pitstop Challenge' team building activity using a real car cockpit, wheels and wheel guns as well as testing their reaction speeds against elite athletes on our BATAK reaction wall. The package includes a two-course lunch for all guests, plus arrival and mid-afternoon refreshments.
