Take a seat and soak up the warm and intimate atmosphere of the Norton Bar. Original detailed oak panelled walls are lined with old, leather-bound books and some with a hidden message inside...

Our cocktail list expertly reflects famous characters and duos from novels we all know and love. Perfectly blending traditional and contemporary ingredients with techniques to curate unforgettable cocktails.

Alternatively, explore our off-menu cocktail list and choose a book from our 100 Years of Cocktails bookcase. Take the card from the inside of the book to the bar to re-live that year in a glass.

THE MACALLAN

The Macallan Distillery, which sits on The Easter Elchies Estate in central Speyside, was identified by local farmer Alexander Reid as the perfect spiritual home to realise his vision of producing a malt whisky of such high quality that it would be revered around the world. This attention to detail has been observed over generations.

From the curiously small stills that create the rich and luxurious spirit, to the distillers capturing only the finest cut of the spirit run, and the exceptional sherry seasoned oak casks which are nurtured from tiny acorns to great oak trees, it is clear to see the care that is bestowed upon the whisky.
