SOMMELIER *selection*

CREAMY & COMPLEX

Cape Blend, "Cyclus", Avondale Estate, 2018 £110

A bold yet beautifully balanced white blend that showcases the estate's commitment to organic and biodynamic winemaking. A fusion of Chenin Blanc, Roussanne, Viognier, Semillon, and Chardonnay, this wine delivers an opulent palate of ripe pear, peach, and citrus, layered with floral notes, honeyed spice, and a subtle nutty richness.

MINERAL & FRESH

Lugana Riserva 'Il Bepi', La Rifra, Lombardy, Italy, 2019 £90

A refined expression of the Turbiana grape, the region's signature varietal. This elegant white wine offers a rich and layered palate, with ripe stone fruits, citrus zest, and delicate floral notes, complemented by hints of almond and a subtle minerality.

SMOOTH & SILKY

Gamay, "Wismer-Foxcroft", Bachelder, Niagara, 2022 £120

Pure and expressive take on a beloved varietal, highlighting the finesse of the region. Bursting with bright berries, crushed raspberries, and wild cherries, the wine is lifted by floral aromas, earthy undertones, and a touch of spice from its gentle aging.

BOLD & SPICY

Geyserville Springs, Ridge Vineyard, California, U.S.A, 2015 £180

Rich, full bodied, bold. Our Executive Chef, Simon loves a wine that packs a punch, but is still elegant enough to match with food - this certainly fits the bill.

RICH & TIMELESS

Malvasia, D'Oliveiras, Madeira, Portugal, 1991 £240

For those who have never had the pleasure, Madeira is simply fantastic. Aged for decades, this wine is sweet and refreshing in equal measure with flavour to back it up - creamy, nutty, salted caramel, toffee apple.

A 12.5% discretionary service charge will be added to your bill.*

English Sparkling

English sparkling wine has rapidly gained a reputation as a world-class contender in the sparkling wine market, often rivaling Champagne in quality and prestige.

Its growing popularity stems from England's unique chalky soils, cool climate, and increasingly refined winemaking expertise, which together create wines with exceptional freshness, elegance, and complexity.

Produced primarily using the traditional method - the same technique used in Champagne. English sparkling wine undergoes secondary fermentation in the bottle, resulting in fine bubbles and rich flavors.

With international awards stacking up and a rising focus on sustainable viticulture, English sparkling wine is now celebrated as a symbol of British craftsmanship and luxury.

Hattingley Valley is renowned for its pioneering approach to English winemaking, blending traditional methods with innovative practices like the use of oak barrels for fermentation. This imparts unique depth and complexity to their sparkling wines, which often showcase a signature balance of fresh citrus and toasty richness.
